WARRANT FOR TOWN MEETING

March 10, 1951

State of Maine

County of York, ss.

To John L. Elliott, a Constable of the Town of Lyman,

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Lyman, County of York, qualified by law to vote in town affairs, to meet at the Town Hall, in said town on Saturday, the 10th day of March, A. D. 1951, at 9:30 o'clock in the forenoon, then and there to act on the following articles, to wit:

The polls will be open at 10:00 o'clock A. M. and close at 2:00 o'clock P. M.

Meeting will open at 2:30 o'clock P. M.

Article 1. To choose a moderator to preside at said town meeting.

Art. 2. To choose a clerk, one selectman, assessor and overseers of the poor for a term of three years, a treasurer, collector of taxes, constable, fire ward, road commissioner, and one member of the school board for a term of three years.

Art. 3. To see what sum of money the town will raise and appropriate for State aid construction (in addition to the amount regularly raised for the care of ways, highways and bridges) under the provisions of Sections 25 and 29, Chapter 20, Revised Statutes of 1944 as amended.

Art. 4. To see if the town will vote to authorize the assessors to rescind any amounts appropriated by the town for State aid highway construction in excess of the amount required to meet State apportionment.

Art. 5. To see what sum of money the town will raise and appropriate to repair its highways and bridges.

Art. 6. To see what sum of money the town will raise and appropriate for cutting bushes on highways.

Art. 7. To see what sum of money the town will raise and appropriate for street lighting.

Art. 8. To see what sum of money the town will raise and appropriate for town hall and school lights.

Art. 9. To see what sum of money the town will raise and appropriate for snow removal and sanding of roads in winter.

Art. 10. To see what sum of money the town will raise and appropriate for the support of schools, including textbooks and high school tuition.

Art. 11. To see what sum of money the town will raise and appropriate for maintenance of the schoolhouse, including insurance.

Art. 12. To see what sum of money the town will raise and appropriate to decorate soldiers' and sailors' graves.

Art. 13. To see what action the town will take in regard to an increase in salaries of its town officers.

Art. 14. To see what sum of money the town will raise and appropriate for town officers' salaries, including school board.

Art. 15. To see what sum of money the town will raise and appropriate for support of its poor.

Art. 16. To see what sum of money the town will raise and appropriate for miscellaneous expenses.

Art. 17. To see what sum of money the town will raise and appropriate for support of the Goodwin's Mills Fire Department.

Art. 18. To see if the town will vote to purchase surety bonds for the collector of taxes, also treasurer, and to raise and appropriate a sum of money for same.

Art. 19. To see what sum of money the town will raise and appropriate for public health nurse.

Art. 20. To see if the town will vote to authorize the selectmen, in behalf of the town, to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, on such terms as they may deem advisable and to execute and deliver quitclaim deeds for such property.

Art. 21. To raise and appropriate a sum of \$400.00 to be paid the Biddeford Savings Bank, Biddeford, Maine, on note for Horace Cousens School.

Art. 22. To see if the town will vote a date for taxes to become due and payable, and to see if the town will fix a rate of interest to be charged on taxes unpaid after said date.

Art. 23. To see what sum of money the town will raise and appropriate for musical instruction at Cousens Memorial School.

Art. 24. To see if the town will raise and appropriate a sum of money to apply asphalt surface upon the driveway at Cousens Memorial School.

Art. 25. To see if the town will vote to use money from the State Betterment Fund to regrade and apply asphalt surface to that section of road, leading from the Baptist Church to intersection of Biddeford road near the town hall.

Art. 26. To see what sum of money the town will raise and appropriate for the expenses of its civil defense and public safety program.

Art. 27. To see if the town will vote to raise and appropriate the sum of \$50.00 to be used for the repair of the Poor Farm road at Kennebunk Pond, starting on the easterly end of said road and extending to the driveway of John B. Littlefield.

Art. 28. To see if the town will raise and appropriate the sum of \$100.00 to be matched by State funds for the purpose of spraying shade trees within highways, said money to be expended by the Department of Agriculture.

Art. 29. To see what sum of money the town will raise and appropriate to paint and repair the Town Hall.

Art. 30. To transact any other business that may legally come before said meeting.

The selectmen hereby give notice that they will be in session at the above named hall and place of meeting on Saturday, the day of said meeting, for the purpose of correcting the lists of voters, from 9:00 o'clock in the forenoon until the polls are closed.

Given under our hands at Lyman, Maine, this 26th day of February, A. D. 1951.

RAYMOND C. BURBANK,
G. CLARENCE DAY,
LESTER E. EMMONS,

Selectmen of Lyman.

AUDITOR'S REPORT

February 19, 1951.

Board of Selectmen,
Town of Lyman,
Lyman, Maine.

Gentlemen:

In accordance with your request, we have audited the records of the Town of Lyman, for the municipal year ended February 10, 1951.

This examination was made in accordance with generally accepted auditing standards, and included all procedures which we considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Lyman, and the results of its operations for the municipal year ended February 10, 1951.

Respectfully submitted,

L. EVERETT OUTHOUSE.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Members of the Superintending School Committee, Citizens of Lyman:

Again it is my privilege to submit for your consideration the annual report of schools. Enrollment this year is 106. Registration is as follows: Sub-Primary, 11; Grade 1, 10; Grade 2, 9; Grade 3, 17; Grade 4, 13; Grade 5, 10; Grade 6, 11; Grade 7, 9; Grade 8, 16. Lyman has two pupils, who live near the Alfred town line, attending school in Alfred. Likewise three pupils attend school in Waterboro. Eleven secondary pupils are enrolled: 4 at Thornton Academy; 5 at Kennebunk High School; 1 at Alfred High School; 1 at Waterboro High School. School work is being carried on smoothly and efficiently by the four teachers in the building. The janitor is to be commended for very satisfactory service.

Following the school board's policy of doing something each year toward the upkeep of the building, another classroom was painted, also the hall. The floor in the lunch room was also painted. For the latter project we are indebted to the School Association for material and to Mr. Carl Rhodes for his service in painting.

The school lunch continues to be carried on in an efficient manner. Meals are well prepared and the accounts and reports are handled very satisfactorily. It has won the commendation of the State officials in charge of this program.

The usual entertainments have been carried on to the mutual benefit of citizens and school personnel. A better relationship must certainly result from such activities. The well-filled auditorium at one of these entertainments is a testimonial to the interest of the citizens of Lyman in its young people. They are to be commended for this very fine attitude.

May I at this time express my appreciation to the members of the school board, the teachers, and all citizens for their cooperation during the year.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

REPORT OF HEALTH NURSE

I herein submit a brief report of service rendered to the Town of Lyman by the York County Tuberculosis and Health Association for the period beginning January 1, 1950, to January 1, 1951.

A continuance of our Health Program has kept in motion a constant effort to help eradicate tuberculosis, protect and improve the general health of the citizens.

Besides time spent on School Health problems, time has been spent on routine examinations and special inspections in school. Retesting pupils with symptoms of eye defects. A follow-up of these examinations has included home visits and working with parents and assisting with the correction of physical defects, nutritional and other problems. Several home visits made regarding tuberculosis, making arrangements for X-rays and examinations.

School Health Inspections

Number of pupils examined,	106
Number of pupils with no dental defects,	44
Number of pupils with defective teeth (deciduous),	43
Number of pupils with defective teeth (permanent),	34
Number of pupils with defective throat,	11
Number of pupils with defective vision,	5
Number with evidence of pediculi,	5
Underweight,	3

Number of pupils having the following corrections:

Teeth,	42
Throat,	1
Vision,	2

The dental clinic conducted annually by the P. T. A. and parents has reduced the dental decay and helped the children tremendously. A continuation of this clinic will bring dental decay and dental costs to a minimum.

One of the important phases of health education is the promotion of mouth health.

- a. Early and frequent dental care, beginning at age of two.
- b. Good nutrition, especially during the period when teeth are forming (from birth to about thirteen years of age).
- c. Avoidance of sweet and starchy foods, especially candy, cake, cookies, etc., eaten between meals.
- d. Good home care of teeth and gums.
- e. Fluorine treatments every three years until thirteen years of age.

Hearing tests with the audiometer were given in the grammar grades. Those pupils found with a 6% or more hearing loss were advised to see their family physician for examinations.

With thanks to the people, including town officers, teachers and superintendent of schools, Mr. Wright, for their assistance and cooperation throughout the year.

Respectfully submitted,

York County Tuberculosis & Health Assn.

AUDITOR'S REPORT

February 20, 1952.

Board of Selectmen,
Town of Lyman,
Lyman, Maine.

Gentlemen:

In accordance with your request, we have audited the records of the Town of Lyman, for the municipal year ended February 9, 1952.

This examination was made in accordance with generally accepted auditing standards, and included all procedures which we considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Lyman, and the results of its operations for the municipal year ended February 9, 1952.

Respectfully submitted,

L. EVERETT OUTHOUSE.

A detailed copy of the auditor's report is on file in the selectmen's office.

REPORT OF SUPERINTENDENT OF SCHOOLS

Members of the superintending school committee, citizens of Lyman, the annual report of schools is herewith presented:

Registration this year is 112 enrolled as follows: Sub-primary, 14; Grade 1, 12; Grade 2, 11; Grade 3, 14; Grade 4, 17; Grade 5, 12; Grade 6, 9; Grade 7, 12; Grade 8, 11. One elementary pupil attends school in Alfred; one in East Waterboro.

Nineteen pupils attend secondary schools in neighboring towns. One attends Alfred High School; eleven, Kennebunk High School; six, Thornton Academy, one, Waterboro High School.

Teaching personnel remains the same as last year with the addition of a music supervisor. We were fortunate last fall in securing the services of Mrs. Agnes L. Tibbetts of Springvale in that capacity.

The school lunch program has been very satisfactorily carried on and is well supported. This support together with good management has made it possible to continue without increasing the price of the lunch as has been found necessary in many towns throughout the State.

The school board has exercised its usual care in the maintenance of the school building. Its policy has been to do one room each year. Last summer the grammar school room was very attractively redecorated. Repairs were done as needed.

Beginning with 1952 the State will adopt a new method of distributing State aid to the schools of the different municipalities. According to a recent law towns will be classified in nine categories to be determined by State valuation per resident pupil. The procedure consists of dividing the latest State valuation by the total number of resident pupils attending school

either in or outside the town. This determines the category in which the several towns belong and shows what percentage of school costs is to be paid by the State.

May I again commend the citizens of Lyman for their interest in and their generous support of their schools. I wish also to express my appreciation to all school personnel for the co-operation during the year.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

REPORT OF PUBLIC HEALTH NURSE

I herein submit a brief report of service rendered the Town of Lyman by the York County Tuberculosis and Health Association for the period beginning January 1, 1951, to January 1, 1952.

Medical efforts have been notably successful in the eradication of smallpox, diphtheria, whooping cough, tetanus and some other common contagious diseases. In the control of tuberculosis, success has been less marked because no vaccine has been developed which is completely effective to the entire population. The tuberculin Patch tests are an effective means of finding tuberculosis, with a follow-up of chest X-rays of the families of those children who show a positive reaction from the test.

Tuberculosis causes more deaths between the ages of 15 and 35 than any other disease.

Our activities consist of school health program and constantly working to find, control and eradicate tuberculosis.

The annual school inspections completed:

Number of pupils examined,	103
Number of pupils with no dental defects,	33
Number of pupils with defective teeth:	
Deciduous,	42
Permanent,	35
Number of pupils with defective throat,	2
Number of pupils with defective vision,	2
Number with evidence of pediculi,	2
Number with skin infection,	1

Number of pupils with the following corrections during the year:

Teeth,	31
Vision,	2

Skin and scalp troubles all cleared up early in the school year.

Several children had dental corrections sponsored by the Cousen's School Association and the parents, during the fall term of school. The dentistry was done by Dr. A. Osher, Biddeford.

Tuberculin and audiometer tests will be given early in 1952.

I wish to express my appreciation to the superintendent of schools, Mr. Wright, teachers and citizens for their co-operation during the year.

Respectfully submitted,

York County Tuberculosis & Health Assn.

By: NELLIE P. SAWYER, R. N.,

Public Health Nurse.

MAINE STATE LIBRARY

"The Maine State Library, Augusta, lacks the following reports of your town: any before 1881, reports of the years ending 1882, 1884, 1892, 1894, 1923. It will appreciate information about available reports."

Thank you.

Very truly yours,
MAINE STATE LIBRARY.

AUDITOR'S REPORT

February 20, 1953.

Board of Selectmen,
Town of Lyman,
Lyman, Maine,
Gentlemen:

In accordance with your request, we have audited the records of the Town of Lyman for the municipal year ended February 7, 1953.

This examination was made in accordance with generally accepted auditing standards, and included all procedures which we considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Lyman, and the results of its operations for the municipal year ended February 7, 1953.

Respectfully submitted,
L. EVERETT OUTHOUSE.

REPORT OF SUPERINTENDENT OF SCHOOLS

Members of the Superintending School Committee and
Citizens of Lyman:

The annual report of schools is herewith submitted.

Registration this year is 100, enrolled by grades as follows: Sub-primary, 17; Grade 1, 9; Grade 2, 9; Grade 3, 9; Grade 4, 11; Grade 5, 14; Grade 6, 10; Grade 7, 10; Grade 8, 11. One elementary pupil attends school in Alfred and one in Waterboro.

Twenty-eight secondary pupils are now attending school in neighboring towns as against 19 last year. There are 16 at Thornton Academy; 10 at Kennebunk; 2 at Sanford.

We have continued this year, as in previous years, the policy of doing something to improve the school-house and keep it in proper repair. The two front hall way ceilings have been painted, also the ceiling and walls of the stage. In all instances two coats of paint were used.

In the kitchen and dining area four by eight foot panels were used to make a ceiling thus improving sanitary conditions there. This material was purchased by the Cousens School Association. This is just another instance of the good will and help the schools have received from this splendid organization.

The school lunch program has been carried on efficiently. We have not been obliged to increase the price of the lunch as has been the case in some towns of the State.

May I in closing express my sincere appreciation to the citizens and all school personnel for their cooperation during the year.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

WARRANT FOR ANNUAL TOWN MEETING

March 13, 1954

State of Maine,
County of York, ss.

To John L. Elliott, a Constable of the Town of Lyman in
the County of York and State of Maine,

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Lyman, County of York, qualified to vote in town affairs, to meet at the Town Hall, in said town on Saturday, the thirteenth of March, A. D. 1954, at 9.30 o'clock in the forenoon, then and there to act on the following articles, to wit:

The polls will be open at 10.00 o'clock A. M. and close at 2.00 o'clock P. M.

The figures after each article are Budget Committee recommendations.

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a clerk, one selectman, assessor and overseer of the poor for a term of three years, a treasurer, collector of taxes, constable, fire ward, road commissioner, and one member of the school board for a term of three years.

Art. 3. To see what sum, if any, the town will vote to raise and appropriate for State aid road construction (in addition to the amount regularly raised for the care of ways, highways and bridges) under the provisions of Sections 25 and 29, Chapter 20, Revised Statutes of 1944, as amended. (\$533.00 taxes)

Art. 4. To see if the town will vote to authorize the assessors to rescind any amount appropriated by the town for State aid construction in excess of the amount required to meet State apportionment.

Art. 5. To see what sum, if any, the town will vote to raise and appropriate to repair its highways and bridges. (\$1,500.00 surplus)

Art. 6. To see what sum, if any, the town will vote to raise and appropriate for cutting bushes on town highways. (\$100.00 taxes)

Art. 7. To see what sum, if any, the town will vote to raise and appropriate for street and Town Hall lights. (\$156.00 taxes)

Art. 8. To see what sum, if any, the town will vote to raise and appropriate for snow removal and sanding of roads in winter. (\$2,000.00 surplus)

Art. 16. To see if the town will vote to purchase surety bonds for the collector of taxes, also its treasurer, and to raise and appropriate a sum of money for same. (\$30.00 excise)

Art. 17. To see what sum, if any, the town will raise and appropriate for public health nurse. (\$75.00 taxes)

Art. 18. To see if the town will vote to authorize its selectmen, in behalf of the town, to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, or by deed, on such terms as they may deem advisable, and to execute and deliver quitclaim deeds for such property.

Art. 19. To see if the town will vote a date for taxes to become due and payable and to fix a rate of interest to be charged on taxes unpaid after such date.

Art. 20. To see what sum, if any, the town will raise and appropriate for the civil defense and public safety program. (\$50.00 surplus)

Art. 21. To see if the town will vote to raise and appropriate the sum of three hundred and fifty dollars (\$350.00) for assembly hall fund. (\$350.00 taxes)

Art. 22. To see if the town will vote to authorize the selectmen to contract for concessions to be placed at Kennebunk Pond Grove, so-called, and if so, to see if the town will vote to fix the terms and conditions for the operation and maintenance of said concessions.

Art. 23. To see if the town will vote to raise a sum to pay for policing the public park at Kennebunk Pond.

Art. 24. To see if the town will vote to elect a committee of four (4) legal residents of the town to investigate the possibilities of securing a public way to Bunganut Pond and Wadley's Pond and to make a report of their findings to a special town meeting to be called not less than sixty days from the date of this meeting.

Art. 25. To see if the town will vote to close the road leading from North Kennebunkport town line to Route No. 35 and from Route No. 35 to old North Berwick road, said North Berwick road being already closed.

Art. 26. To transact any other business that may come legally before this meeting.

The selectmen hereby give notice that they will be in session at the above named hall, and place of meeting, on Saturday, the day of said meeting, for the purpose of correcting the list of voters, from 9.00 o'clock in the forenoon until the closing of the polls.

Given under our hands at Lyman, Maine, this seventeenth day of February, A. D. 1954.

CURTIS C. TAYLOR,

G. CLARENCE DAY,

LESTER E. EMMONS,

Selectmen of Lyman.

REPORT OF GOODWIN'S MILLS FIRE DEPARTMENT

Total number of calls,	36
Lyman,	18
Dayton,	12
North Kennebunkport,	4
Biddeford,	1
Sanford,	1

6 chimney fires, 10 forest fires, 8 grass fires, 4 building fires, 2 car fires, 4 dump fires and 2 flooded cellars.

The towns of Lyman and Dayton have been fortunate during the past year in control of woods fires, the Mutual Aid Plan now in operation clearly shows fine co-operation among the many departments.

This year through the generosity of the two towns there has been added a new tank truck, mounted upon a 2-ton Chevrolet, with a 600 gallon tank, Leonard 200 G. P. M. pump, and all other essential equipment which is a credit to any department and will prove its value many times in the future.

Your attention is called to the law which requires a permit for the kindling of fires out-of-doors. Chapter 363, Section 68A, Laws of Maine.

The public is cordially invited to visit the fire station and the members will be grateful for your interest.

Respectfully submitted,

RAYMOND C. BURBANK,

Chief of Department.

AUDITOR'S REPORT

February 23, 1954

Board of Selectmen,
Town of Lyman,
Lyman, Maine.
Gentlemen:

In accordance with your request, we have audited the records of the Town of Lyman for the municipal year ended February 3, 1954.

This examination was made in accordance with generally accepted auditing standards, and included all procedures which we considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Lyman, and the results of its operations for the municipal year ended February 3, 1954.

Respectfully submitted,

L. EVERETT OUTHOUSE.

REPORT OF HEALTH NURSE

I herein submit a brief report of service rendered the Town of Lyman by the York County Tuberculosis and Health Association for the period beginning January 1, 1953, to January 1, 1954.

The purpose of our program is to promote good health among the citizens of Lyman, to help the family attain and maintain physical and mental well being, and teach health measures aimed at reducing illness and preventing disease; and the value of periodic health examinations with a chest X-ray.

School Health Program: The nurse in the school is concerned with all phases of health in the school children. An accurate, detailed health history is kept up to date, with a school health card.

Health Inspections Completed In All Grades

Number of pupils examined,	111
Number of pupils with no dental defects,	44
Number of pupils with defective teeth:	
Deciduous,	49
Permanent,	23
Number of pupils with defective throat,	4
Number of pupils with defective vision,	5
Number with evidence of pediculi,	8
Number of pupils with the following corrections during the year:	
Teeth,	22
Vision,	3

The annual Dental Clinic sponsored by parents and Parent-Teacher Association is of tremendous value, both in dental repair and helping the child to recognize and accept his responsibility in good mouth hygiene.

Several home calls made regarding pediculi and individual health problems among the school children.

With many thanks to school officials, teachers, town officers and superintendent of schools for their cooperation throughout the year.

Respectfully submitted,
York County Tuberculosis and Health Association.
By: NELLIE P. SAWYER, R. N.,
Public Health Nurse.

REPORT OF SUPERINTENDENT OF SCHOOLS

Members of the Superintending School Committee,
Citizens of Lyman:

I am happy to present the school report for the year 1953-1954.

The present number of pupils at Cousens Memorial is 107. Ten years ago it was 88. In 1944 there were 9 secondary pupils attending high schools or academies in neighboring towns. Today there are 31.

Registration by grades is as follows: Sub-primary, 18; grade 1, 13; grade 2, 7; grade 3, 13; grade 4, 10; grade 5, 12; grade 6, 16; grade 7, 12; grade 8, 6. In addition to the above mentioned, one elementary pupil attends school in Alfred; two, in Waterboro. Of the 31 secondary pupils, 15 are registered at Thornton Academy; 15 at Kennebunk High School; 1 at Sanford High. We have four teachers and a music supervisor. Three of the teachers have two grades each; one has three. Obviously this means unequal division of time per pupil. We suggest the elimination of the sub-primary. It is not required by law, and it is intended to offer only a minimum of formal instruction. Its purpose is simply to accustom the child to going to school. Properly maintained the sub-primary should be in a room by itself with proper facilities for play and rest periods. This is impossible under the present arrangement.

This year, as in previous years, we have continued to make improvements and to keep the building in proper

repair. During the summer one classroom, grades 5 and 6 was redecorated and the ceiling whitened. Next year, to meet safety regulations of the State it will be necessary to install panic bars on entrance doors. It would seem advisable to replace the doors now in use with new ones when that work is done.

The school lunch program has been well supported and continues to operate very efficiently.

School spirit both within and without the schools is very commendable. I wish again this year to express my appreciation to the Cousens School Association for its splendid help and cooperation at all times.

A new law recently enacted by the legislature goes into effect July 1 of this year. It sets a new minimum salary schedule for teachers, affecting especially teachers with three, four, and five years of training. A beginning teacher with three years of training must, according to this law, receive not less than \$2,000.00 per year. An increase of \$100.00 must be added thereafter for each year of experience. This continues for four years. Which means that a three year graduate with four years experience must receive not less than \$2,400.00 yearly salary. A four year graduate with a bachelor's degree begins with \$2,400.00 and receives a yearly increase of \$100.00 for eight years, which makes the minimum \$3,200.00.

The same holds true with the teacher holding a master's degree with this difference. The yearly increases continue for twelve years, making the minimum \$3,600.00. To meet situations where salaries are considerably below this standard the law provides that no town is required to increase the salary of a teacher more than \$300.00 in any one year.

I am grateful to you all for your help and cooperation at all times.

Respectfully submitted,
MAYNARD E. WRIGHT,
Superintendent of Schools.

We have purchased for delivery in March radio equipment giving us contact with Sanford, Saco, and those on the 39.5 M. C. wave band which is a step forward for better communications in any disaster.

I wish to thank those who have helped in any way, also the people who have made our annual supper a success.

Again extending an invitation to visit us and acquaint themselves with our effort to serve the people to the best of our ability in the preservation of life and property. Thanks to the officials of Dayton and Lyman, members of the department and those who are helping to our success.

Respectfully submitted,

AUDITOR'S REPORT

February 21, 1955

Board of Selectmen,
Town of Lyman,
Lyman, Maine.
Gentlemen:

In accordance with your request, we have audited the records of the Town of Lyman for the municipal year ended February 5, 1955.

This examination was made in accordance with generally accepted auditing standards, and included all procedures which we considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Lyman, and the results of its operations for the municipal year ended February 5, 1955.

Respectfully submitted,

L. EVERETT OUTHOUSE.

REPORT OF SUPERINTENDENT OF SCHOOLS

Members of the Superintending School Committee,
Citizens of Lyman:

It is my pleasure to submit the school report for the year 1954-1955:

The present number of pupils at Cousens Memorial is 104. Registration by grades is as follows: Grade 1, 15; Grade 2, 17; Grade 3, 9; Grade 4, 14; Grade 5, 15; Grade 6, 10; Grade 7, 17; Grade 8, 7. In addition to this number five elementary pupils attend school in Waterboro. Twenty-eight pupils attend neighboring high schools and academies. Of this number 10 are registered at Thornton Academy; 14 at Kennebunk High School; 3 at Sanford High School; 1 at St. Ignatious High School in Sanford.

It was deemed advisable to discontinue the sub-primary. This was done at the end of the school year in June. Under our present program, it had been necessary to divide time for the sub-primary with grades 1 and 2. The benefits derived from its discontinuance more than offset those of continuing it. Pupils of first and second grades, who have to complete a required schedule have had more of the teacher's time and help. There is no required schedule for sub-primary. Its only real purpose is to accustom the children to going to school.

The school board has continued its usual efficient practice of keeping the school building in proper repair. During the summer one classroom, the one occupied by grades 2, 3, and 4 was redecorated and the ceiling whitened. The adjoining room was partially redecorated to harmonize. As you know these two rooms, when used together form the assembly hall.

The boiler was completely overhauled, meets all safety measures required by law, and has been duly inspected and certified. One new ceiling radiator was purchased and installed in the basement. Twenty new seats and desks have been added to the equipment during the year.

The school lunch program still continues to be efficiently operated and well supported. Recently the refrigerator used in the past was replaced with a larger model, and a deep freeze was purchased. For both of these acquisitions we are indebted to the Cousens School Association which has continued its help and cooperation. For this we are deeply appreciative.

In closing I wish to express my gratitude to you all for your help and cooperation at all times.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

During the past year we have been fortunate in not being involved in any large fires, and I again repeat that it is necessary to secure a permit for fires out of doors.

We have the radio equipment, mentioned last year, now installed and under the Federal Civil Defense Act expect to add more this year.

Boys from Lyman and Dayton were given training in fire work and evidence of their work has shown to a good advantage.

Thanks to the citizens of Lyman and Dayton and the public who help us in our humble efforts to preserve life and property.

Respectfully submitted,

RAYMOND BURBANK,

Chief.

For fire permits call Goodwin's Mills, 222 or 461.

UNITED STATES DEPARTMENT OF AGRICULTURE FOREST SERVICE

December 7, 1955.

I am pleased to report to you that we accomplished all necessary work in Lyman on white pine blister rust control last summer. I consider that your town is in good shape for several years. In 1960 we will make an examination of the whole town again, but unless we find a development of the disease then it may be possible to go another five years.

This year we covered 2,937 acres with a careful examination to protect 1,241 acres of young growing pine. We found and destroyed 428 currant and gooseberry plants. The costs of the work were divided as follows: Town of Lyman, \$62.40; State of Maine, \$38.64; and Federal Government, \$78.62.

I wish to express my appreciation of your cooperation and that of the citizens of Lyman.

Very truly yours,

JOSEPH B. PIKE, JR.

AUDITOR'S REPORT

February 23, 1956.

Board of Selectmen,
Town of Lyman,
Lyman, Maine.
Gentlemen:

In accordance with your request, we have audited the records of the Town of Lyman for the municipal year ended February 6, 1956.

The examination was made in accordance with generally accepted auditing standards, and included all procedures which we considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Lyman, and the results of its operations for the municipal year ended February 6, 1956.

Respectfully submitted,

L. EVERETT OUTHOUSE.

REPORT OF SUPERINTENDENT OF SCHOOLS

Members of the Superintending School Committee, Citizens of Lyman, I herewith submit my thirty-sixth and last annual report of schools:

Present enrollment at Cousens Memorial is 100. By grades they are classified as follows: Grade 1, 13; Grade 2, 13; Grade 3, 15; Grade 4, 9; Grade 5, 11; Grade 6, 14; Grade 7, 8; Grade 8, 17. In addition to this number five elementary pupils attend school in Waterboro. Tuition is being paid for twenty-one secondary pupils: eight in Kennebunk High School, nine in Thornton Academy, three in Sanford High School, one in St. Ignatius High School in Sanford.

There has been one change in teaching personnel this year. At the close of school in June Mrs. Glenyes S. St. Clair resigned as principal and Mr. Charles M. Wormwood of Kennebunkport was elected to fill the vacancy.

Glancing backward to thirty-six years ago, we find that there were five one-room school buildings in use, at Goodwin's Mills, Jackson, Smith, Cousens and Union; that shortly after a sixth, the one at Center, was renovated and used for a short time. We also note that school population was about half what it is today.

To consolidate schools as widely separated as were those of Lyman was not an easy task. But a group of interested citizens went determinedly to work and by 1937 consolidation was completed. In June of that year all schools combined to hold their closing exercises in the assembly hall of the new Cousens Memorial. September, 1937, saw the beginning of regular school sessions. It is a school plant to be proud of. Few towns have its equal. However, with the realization that school population is increasing plans are being made to add a wing to the building to be used as an assembly hall for school and community activities.

At the last session of the legislature the law governing the distribution of school subsidies was changed, dividing the towns of the State into twenty-four classifications instead of nine as was formerly the case. Lyman is in class eight and draws forty-seven and one-half percent for the next biennium. Subsidies range from sixty-five percent in towns where the State valuation per resident pupil is \$3,000.00 and under to fifteen percent in towns where the State valuation per resident pupil is \$15,001.00 and more.

I find it very difficult in this final message to adequately express my feelings. Severing an association of so long standing is not easy. I can say to the citizens of Lyman I am deeply grateful for their cooperation over the years. I wish to give credit where credit is due. I wish especially to thank the members of the school committee, the teachers, and all school personnel for their very large part in making the schools of Lyman the good schools that they are.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.
